SIZE Really Does Matter !

DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

CONCENTRATED FORMULA

The ingredients of Testrone with Tongkat Ali have been shown to increase both testosterone and nitric oxide in the blood. Only the strongest potency herbs are used in our formula. The Tongkat Ali is imported from the most reputable sources in Asia. This herb has been used by men throughout Asia for centuries to increase desire, libido and performance in the bedroom

GUARANTEED RESULTS

Get serious about having the longest, biggest, thickest penis possible. Don't waste any more time on creams, sprays or products that have not been proven. Start seeing real results in the shortest amount of time with Testrone with Tongkat Ali !

Imagine when your partner sees how thick and long you are. Eliminate worries about going soft or coming too soon. Maintain virility so that you can increase the number of times you can perform.

This new highly concentrated formula makes all the difference in the world. Never before has there been an all-natural formula that works as fast and effectively as this product. To increase the size and power of your penis you need a solution that works. You won't find a more potent formula for growth and development !

VOTE 1 PORN!

Mary Carey wants to be Trump's VP!

AS WE prepare ourselves for the potential HELL ON EARTH that would be Donald Trump as the next President of the United States, there's at least ONE silver lining in the very black cloud hanging above our heads.

And that's the fact that the next US Vice-Prez could be porn legend **Mary Carey**!

Yes, the 35-year-old Cleveland, Ohio native has thrown her sexy hat in the ring and asked The Donald to make her his running mate.

Some critics have ridiculed the idea of a gal who's sucked COCK for a living as being qualified for the second most important job in the land.

However, they forget that Mary has already had two tilts at political office in California, so she's a seasoned campaigner.

If Trump gives her the nod, then the prospect of "Vice-President Mary Carey" is a real possibility.

And she's only one out-of-control Volvo away from the Presidency. How awesome would that be?

Hmmmmm…where are our car keys?

finds her penis Zen!

PHOTOS BY HOLLY RANDALL

PORN'S a lot like the Mafia – once you're in the fold, you can never truly leave. Take lusty peen queen **Brett Rossi** for example.

The 26-year-old – better known in recent years for warming Charlie Sheen's knob on cold, cold nights – has made her GLORIOUS RETURN to the adult fillum industry…and every hole is OPEN FOR BUSINESS, readers!

Ms Rossi told painfully erect journalists that her comeback film *Delicious* is pervier and filthier than her previous carnal efforts. ▸

"I put seven delicious penises in my mouth," Brett explained, her mouth dick-free at that very moment. "They were covered in delicately painted pastel-coloured frosting, balls'n'all. It sounds REALLY SLUTTY and it is, but I just wanted to suck ALL the dicks. I would've done 10 penises if I could've found them."

There's no doubt that the spunky California LOVES THE SCROTE, so it was a surprise to learn she'd never engaged in an on-screen threesome with two blokes until now!

"I'd never had all the dicks and I WANTED all the dicks. It was a lot of fun. Tommy Gunn's a joy to be around and Charles Dera's been at it for a long time, so it was nice having two people knowing what they're doing."

For any chick hungry for a threesome and seeking advice on how they should go about it, listen to Brett's wise words.

"If you've never done one before, the hardest part is making sure no-one's left out by favouring one penis over the other. It's natural to play favourites so you have to find a balance. A PENIS ZEN."

OMMMMMMMMMMMMM…NOMMMMM NOM NOM!

A reason why we love Brett is 'cos she's BLOODY LEGIT.

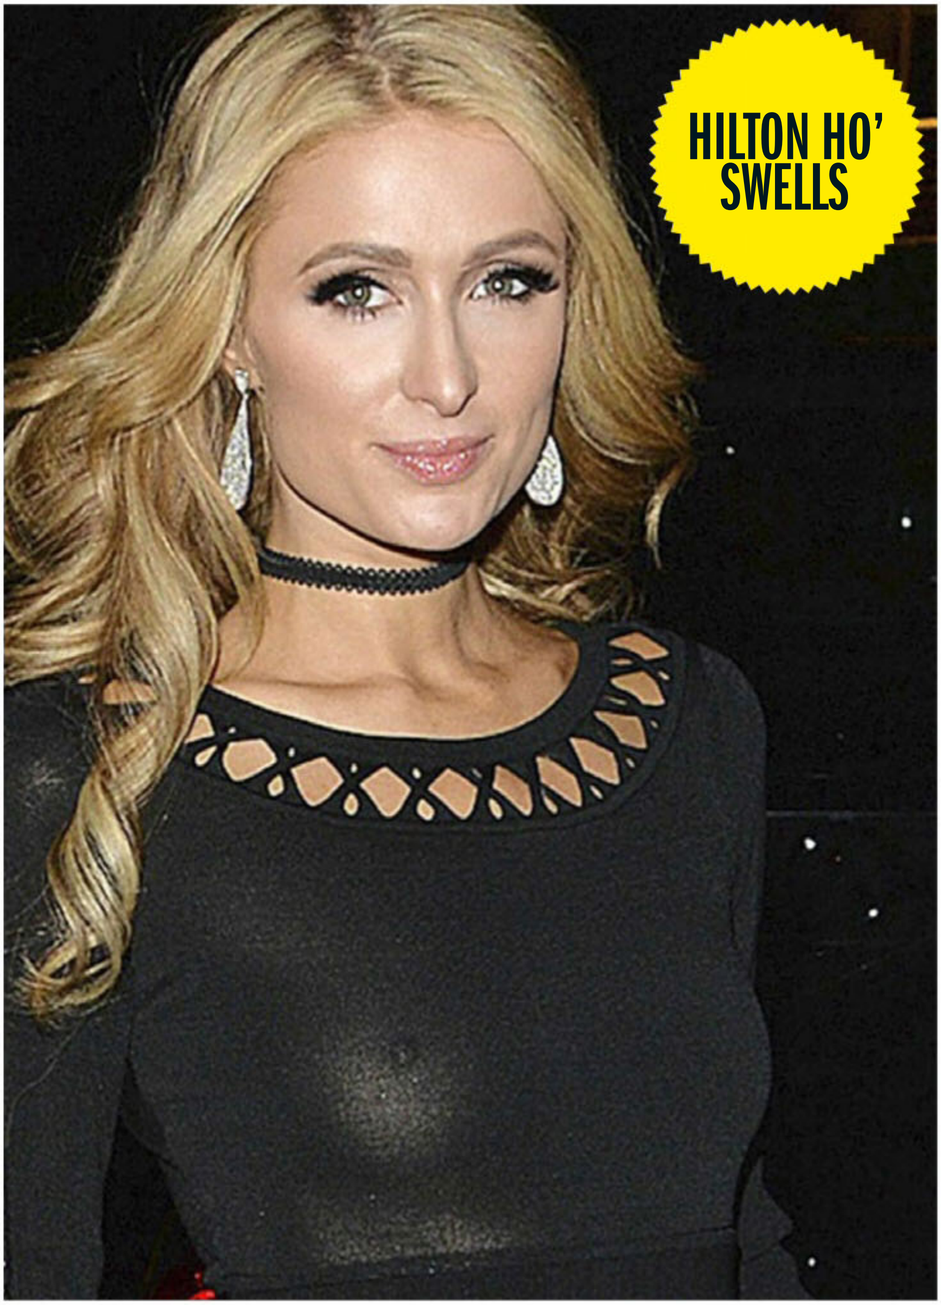
And *Delicious*, in the starlet's own words, is a comeback in more ways than one.

"In my mind I saw it as the rebirth of not only my career but myself personally, 'cos I had supressed so many sexual fantasies and I want to experience them all.

"Everything is authentic and everything you see is 'first time' and my emotions are raw. So when I'm sucking all those dicks – all seven of them – all my emotions are true."

Welcome back, Brett Rossi. May you juggle multiple tockos and suck down the semen for many years to come.

‘I PUT SEVEN DELICIOUS PENISES IN MY MOUTH’



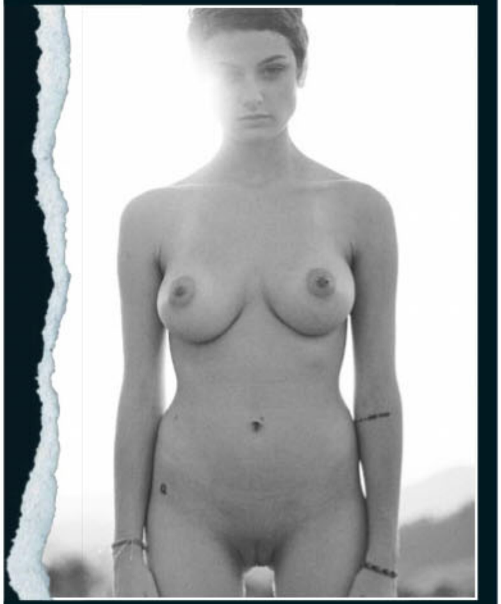
SHEER HUNGER

WE HAVEN'T seen much of Paris Hilton, 35, in the past few years. Apparently, the hotel heiress, veteran party gal and one-time reality television starlet is now pursuing a music career. She took a break from singing to enjoy some dim sims at the swish China Tang restaurant in London. One lucky paparazzo snapped her and the flash did just enough to make us realise how much we've missed having Paris around.

THE P-SPOT

B&W & RUDE ALL OVER

A COPY of swanky *P-Magazine* is arguably the world's most expensive wank rag at a pricey US$65 a copy. Luckily for you guys, we've reprinted these classy B&W shots of Brazilian model **Ana Laura Giacomini**, snapped by the very talented Amanda Coutinho, for nix. Feel free to spend the money we saved you on beer. Or charity. Up to you, champ.



SINEMA

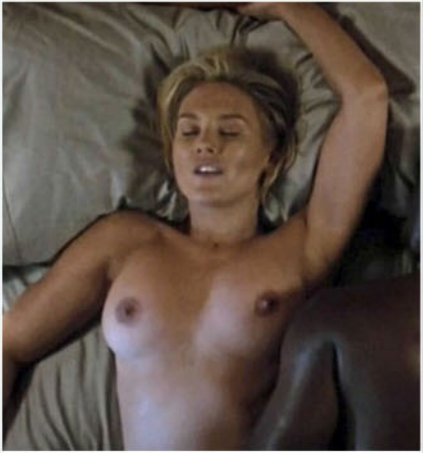
TASTY DANISH

ARTY drama flick *The Danish Girl* is about a bloke (played by Eddie Redmayne) who wants to be a woman in the early 20th century – he's the Caitlyn Jenner of 100 years ago. Anyway, Ed may not be the real deal but, as these pics reveal, his co-stars **Alicia Vikander** (below left and bottom left) and **Sonya Cullingford** most certainly are!

TEEVEE TITS

HOUSE OF LUST

TIME to check in on our second-favourite teevee show – after *Family Feud*, that is – and see what's going on in *House Of Lies*. Oh, righto... some chicks have got their baps out and now they're fucking some guys. We didn't miss anything important then. The latest ladies to unload their lungs are **Anastacia McPherson** (below left) and our own **Nicky Whelan**...again.



EM'S GEMS

RACK-TASTIC ACCESSORIES

IF YA gonna ask a celeb to sell your costume jewellery, you could do worse than get **Emily Ratajkowski** to chuck on a few necklaces, then HIDE HER BRA before the photo shoot. Actually, these are just sassy outtakes from a more demure ad campaign that Em did. Sadly, there are no shots of her sporting a pearl necklace.

MESSI-ING ABOUT

YOU may not recognise her face – or even her wayward boob – but this is **Suzy Cortez**, aka Miss Bumbum Brazil. Her kinda/sorta/maybe accidental breast flash on a beach in Portugal happened soon after she got into trouble with the wife of soccer superstar Leo Messi. Seems Messi's missus found too many raunchy Instagram shots of Suzy wearing the Barcelona player's famous No. 10 jersey and put the kibosh on Leo accessing them. Bummer.

SQUIZ AT LIZ

IN GOOD FAITH

WE'RE big fans of televisual drama *Banshee*, but not as much as we're fans of **Eliza Dushku**'s BUNS! We've loved them ever since we first saw the 35-year-old actrine stabbing vampires as Faith in *Buffy The Vampire Slayer* and *Angel*. In *Banshee*, Liz plays a troubled FBI agent. So troubled, in fact, she forgot to put on her clothes in this scene.

MAG WATCH

MIRROR, MIRROR...

...ON THE wall, who's the prettiest Baldwin of them all in the ever-expanding celebrity clan? For us, it's sizzling fashion module **Ireland Baldwin** – the 20-year-old daughter of Kim Basinger and Alec Baldwin – and this sexy shot from *Schön* magazine explains our choice. What? You thought we were gonna select born-again ratbag Stephen? He's cute, but not a patch on his niece.

Animals killed for their fur are electrocuted, drowned, beaten, and often skinned alive. Please don't wear fur

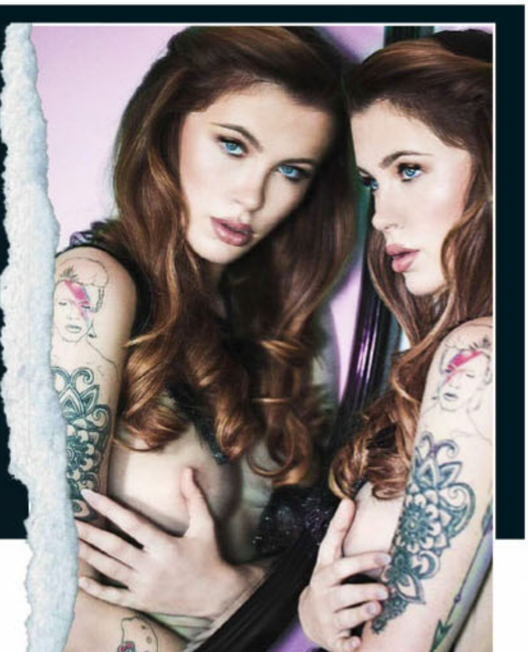
CHRISTIAN SERRATOS for PETA

GOOD CHRISTIAN

FUR-GEDDABOUDIT

ONYA, **Christian Serratos** – star of some shitty *Twilight* movies and, more recently, totally-not-shitty *The Walking Dead* – for stripping off your zombie-fighting gear for a good cause. In this case, it's part of PETA's long-running campaign to stop the fur trade. From the look of most of the models we feature in *People*, we reckon the war on FUR has already been won.



HELLO, I'M...

GABRIELLE DANIELS

SAY *Dobryy den* (or "Hello" if you're not Ukrainian) to Gabrielle Daniels, the redheaded raver who steals the show in new fillum *Amazing Tits 5* (reviewed in *Porn Watch* on pg14). The randy 20-something Euro-hotty hasn't been in the jiz biz for long, but the way she handles herself (and penises), we expect her to be around for the long haul.

My house is worth a bit'cos it's close to public transport
WTF

ALMOST NAILED IT!

Check out these cowboys' not-so-handiwork

CALLING yourself a professional doesn't necessarily mean it's TRUE. Don't get us wrong, we're huge fans of tradies at *People* Towers – especially as we have a fella here right now fixing our blocked dunny (that's the last time we try to use a can of VB as toilet paper).

Occasionally, though, you'll come across a job by a plumber, carpenter, electrician or some other highly paid tradie that could only be described as A BIT ROUGH.

We can't be certain whether it's due to stupidity, laziness or lack of sleep but, as the examples on this spread show, the end results can be hilarious.

Just be glad the FUCKED NUFFIES who botched these jobs aren't working at your place right now.

IT'S BOOBS OR BUST

WHO has the bestest breasts in the bizzo? Well, these Euro-sluts with their Euro-hooters make a compelling argument for their continent in the film series ***Amazing Tits***.

In fact, they had so much evidence that it's taken FIVE instalments to get across their case. In the fifth chapter, stunnas such as **Gabrielle Gucci** (right), **Laura Crystal** (below) and **Stella Cox** heads a STELLAR cast as they plop out their plapps and prove they're more than up to the job of bunny-rubbing purple-helmeted beasts till they SPIT their approval all over their chebs.

Every single melon on display is 100% natural and there's no plot to get in the way of the cum shots!

➔ Gingers may have no souls, but they have great ASSHOLES, as seen in Third Degree Films' new blockbuster, ***Ginger Orgy***. Director Mike Quasar gave FOUR reasons why ginger porn is tops: "1. Gingers are fascinating. They're not creepy like albinos, yet not entirely human either. 2. They speak their own language, like sexy Klingons. 3. As an under-represented minority, I felt that in the interest of basic human rights, they should have their own orgy. 4. They have no souls so they will wander the earth being sexy for all eternity."

NEWS TO US

Our fuckwit Bogdan presents another dose of weirdness

STONE'D OUT OF HIS MIND

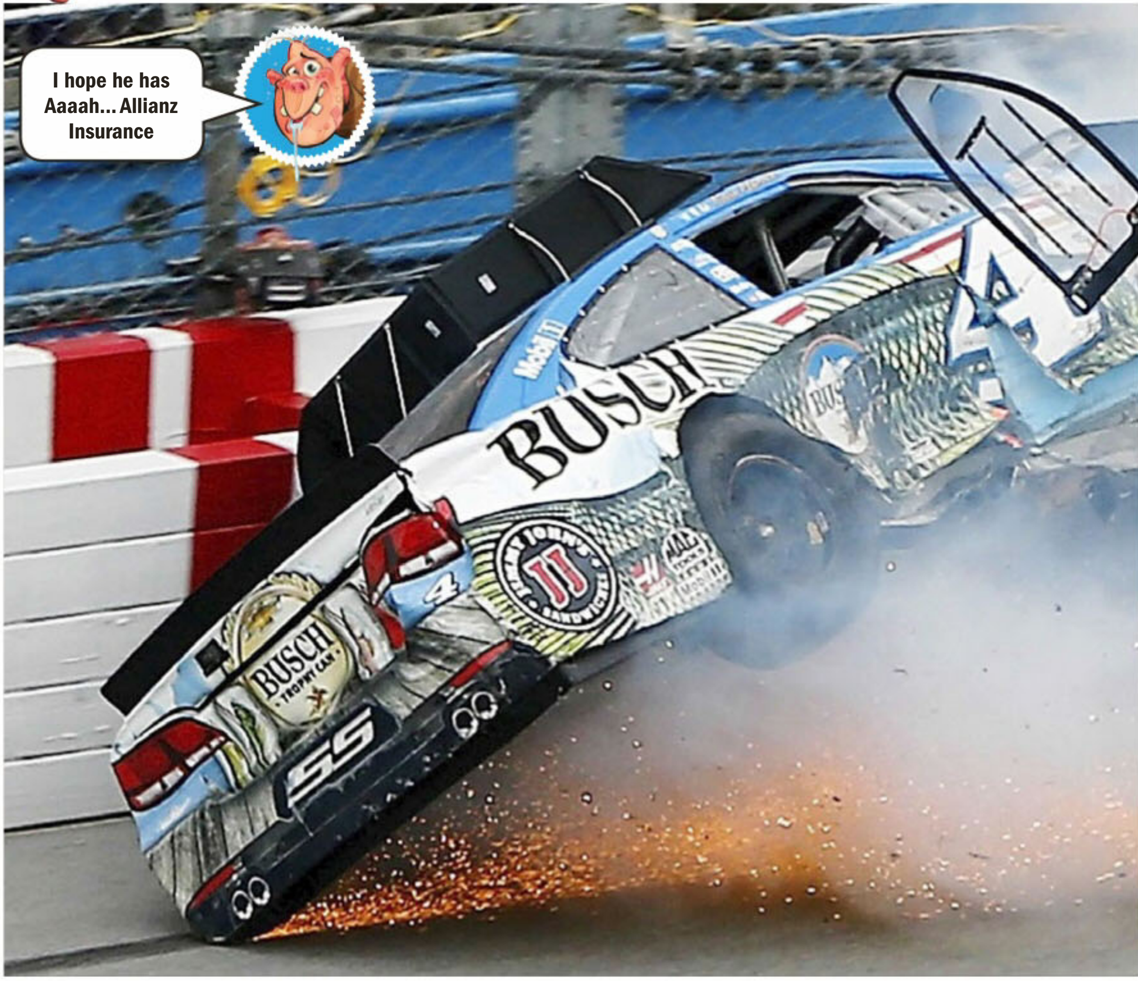
A 31-YEAR-OLD Brit has proven that a man can truly love his home town...by MARRYING IT! Domino's Pizza store manager Alex Brindley tied the knot with the tiny village of Stone in Staffordshire. It's a marriage made in Heaven as the guy has ROCKS in his head.

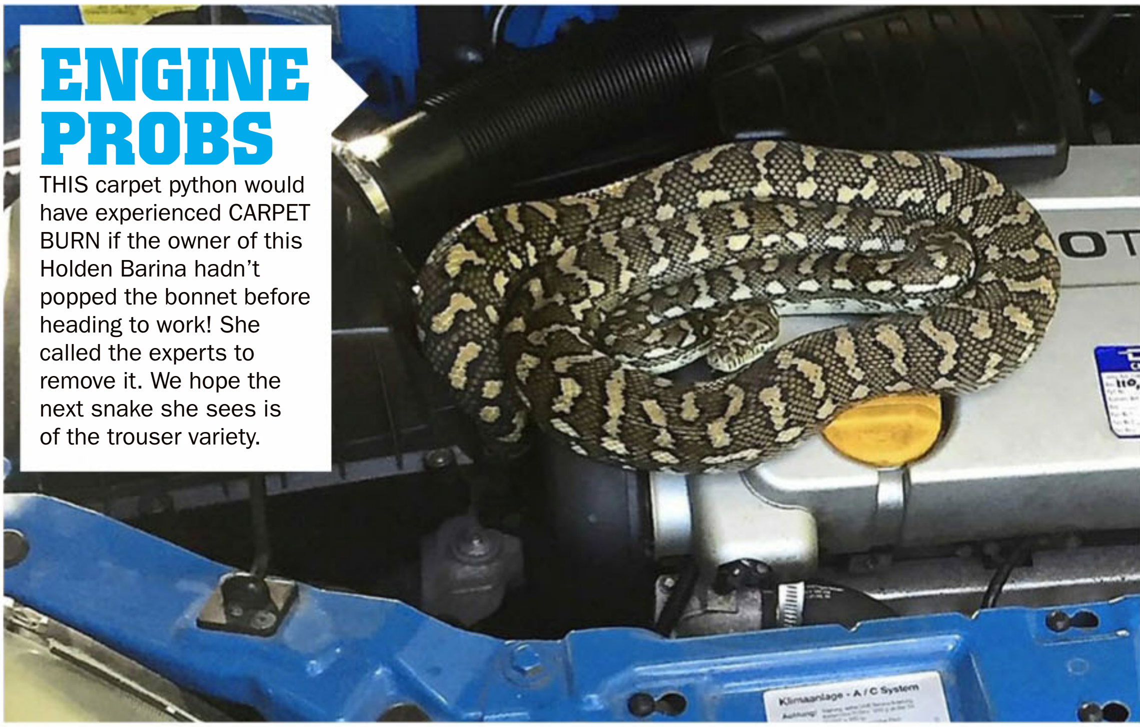
FUCK-OFF FACTS

- The world's first motoring contest was held in France on July 22, 1894. The 127km course took the 25 competitors from Paris to Rouen, and was probably the world's slowest car race.
- Israeli Holocaust survivor Yisrael Kristal has just been confirmed the world's OLDEST man at 112 years of age. The oldest woman is 116!
- The longest snake ever held in captivity is reticulated python Medusa. She's more than seven metres long and is housed at The Edge Of Hell Haunted House in Kansas City, Missouri. Just don't look the critter in the eye – she can get a bit SNAKEY!

GOD DAMN!

ISRAELI David Shoshan filed a restraining order against GOD after telling a courtroom in Haifa that the Almighty had been "very negative" towards him. God couldn't be arsed turning up to fight the charge, but the judge still threw out the case.





ENGINE PROBS

THIS carpet python would have experienced CARPET BURN if the owner of this Holden Barina hadn't popped the bonnet before heading to work! She called the experts to remove it. We hope the next snake she sees is of the trouser variety.

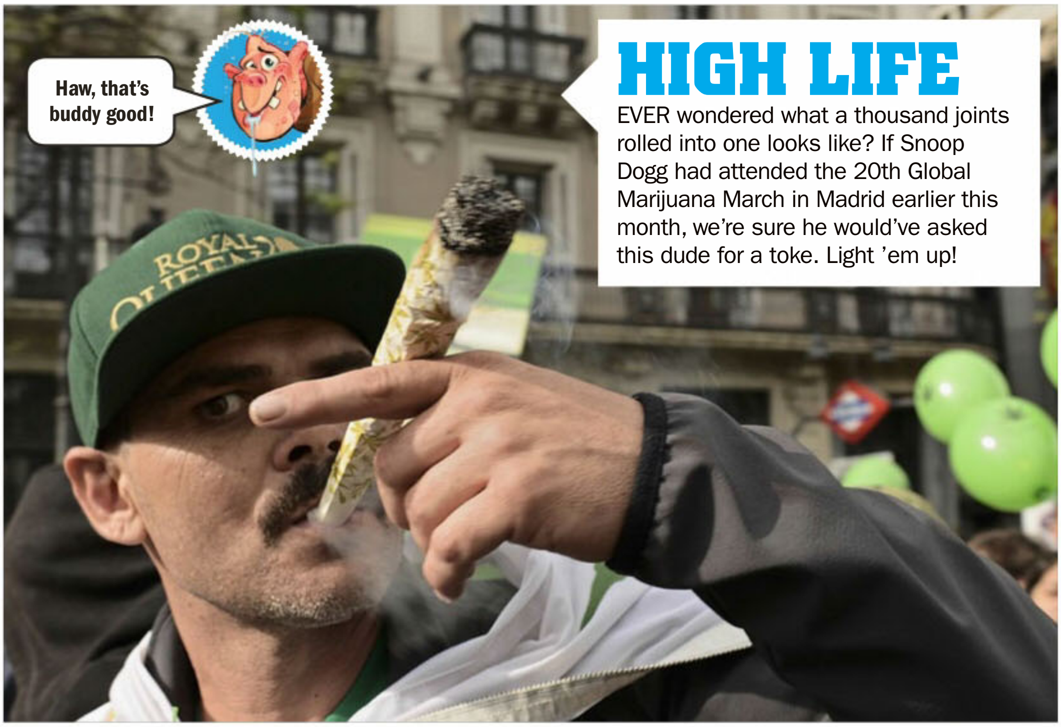
SMASH HIT

IF WE could do it all over again we'd either be professional mini-golfers or NASCAR drivers. But you don't see shit like this at your local putt-putt course…so we'll happily hold onto our small balls and leave the driving thing to the braver blokes!

Glad he wasn't hissed off!

HIGH LIFE

EVER wondered what a thousand joints rolled into one looks like? If Snoop Dogg had attended the 20th Global Marijuana March in Madrid earlier this month, we're sure he would've asked this dude for a toke. Light 'em up!



Haw, that's buddy good!

HAVE youse ever wondered where the beautiful people get their groceries? I have – and I don't think it's one of the major supermarket chains. Any advice for where a man looking for love can find a natural beauty who's out of milk?

Tim, SA

You might want to pop on your specs on your next food run, Tim, 'cos we're constantly having to hide our throbbers behind a packed trolley at Coles. It sounds like you're making excuses so, next time, go TALK to someone who tickles your fancy!

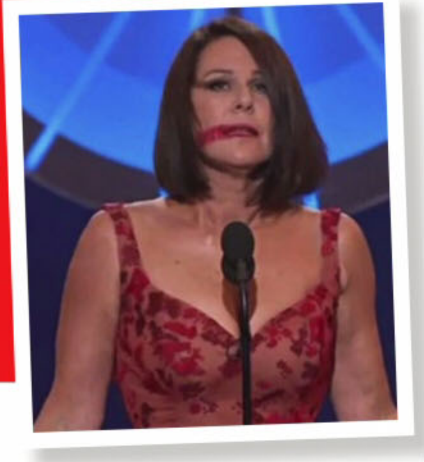
TV TALENT

THE FOGIES

GEE whiz, our media plugged the EFFIN' SHIT out of the *TV Week Logie Awards*. Don't they realise everyone streams these days? It's as outdated as *Mister Ed*! Whatever happened to that horse?

Macca, Vic

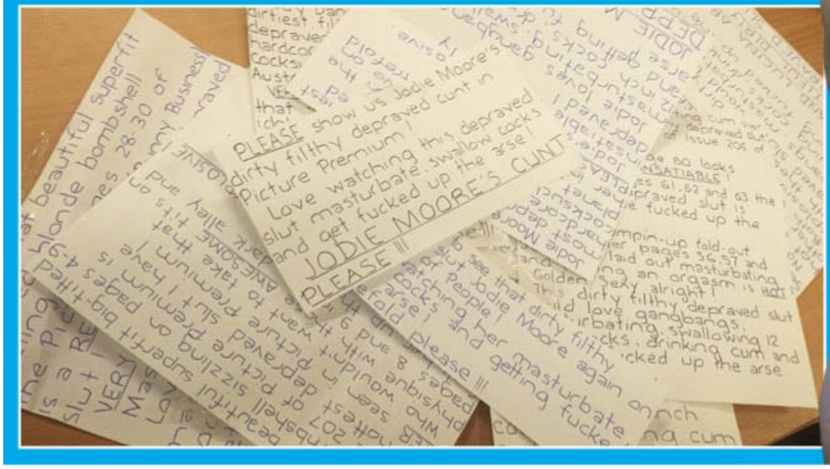
Dunno about that, Macca, but look at it this way: the Logies were a good excuse to perv on local ladies dressed to impress. Like Julia Morris. Yeah, that smeared red lipstick had our stiffies straining against our pants and screaming, "I'm An Erection, Get Me Out Of Here!"



FAN MAIL

MOORE THE MERRIER!

AN ANONYMOUS but ultra-keen, long-time reader is a big fan of the babes we feature in this mag, particularly retired Aussie porn star Jodie Moore. He (or she) has been sending us weekly letters for many years and we've built up quite a collection. Whoever said romance is dead never saw THESE adoring hand-written letters.



TITS ARE HITS

MAM-TASTIC!

I LOVE that baps come in all shapes and sizes and think it's about time we saw a few pages dedicated to them. Even the varying types of FAKIES leave me in awe! Can you make it happen?

EL, Qld

We'll be sure to sit around over a case of beer and discuss it…while looking at a bunch of boobies for inspiration (not that we need it!) As fellow funbag fans we congratulate your enthusiasm on the topic. As a reward, here are Amelia's big 'uns from our February 15 issue!

SOUL SISTER

Keira likes her cocks black and big!

PHOTOS BY DIGITAL PLAYGROUND

IT'S been one helluva ride so far for X-rated newbie **Keira Nicole**, but not as big a ride as she recently enjoyed on the end of a VERY LARGE BLACK DICK!

With barely 18 months in the biz, she's been ROOTING her arse off to show she's serious about her job.

All the hard work and aching nether-regions paid off this year when she scored a ton of AVN and XBIZ nominations for her flexible efforts in grumble flicks like *Peter Pan XXX, Angels And Devils* and *The Swing Life*.

The new gal on the block took out Best Actress for *The Swing Life* and, considering how passionate she is about fucking on film, there's surely more awards on the horizon!

"Before porn I just wasn't getting enough cock in my life," she giggled. ▸

"When I discovered the adult film industry I was excited. I'm really happy to be where I'm at in life right now."

See? Happiness is everything, especially when you're being tooled by good-looking studs and studettes for money. In fact, this chick couldn't be HAPPIER!

"My initial thoughts were, 'I really need to make so much money' and 'That guy's hot. Where do I sign up?'"

Keira entered the jiz biz with her eyes wide open and a game plan: "It's important to come in with an idea of what you want to get out of this industry, because it won't last forever. Also, you've got to have some thick skin."

Speaking of skin, Kiera recently had her first taste of SOUL SAUSAGE after working with the folk at Blacked.com.

> **'I WASN'T GETTING ENOUGH DICK IN MY LIFE'**

And it was a damn fine debut, too.

Anyone who watched her take donkey-dicked woodsman Flash Brown's oversized member and deep-throat it till it tickled her lungs would think Keira's been doing this sorta thing for decades!

Flash was impressed as well.

He tweeted Keira afterwards to say, "Love our bathroom scene together. That shit was THE REAL FUCKING DEAL!" Word.

She told journos, "I was extremely happy for the opportunity. I had been fantasising about taking his big black rod. It turned out to be everything and more for me…I walked away with a lifetime of knowledge."

Given the size of her partner's slab of man-meat we imagine Keira walked away with a slight limp.

BEERS'N'BUDS

Rihanna gets her kicks any way she can

MUSIC fans know **Rihanna** as the voice behind such hits as *Umbrella, What's My Name?, S&M* and *Bitch Better Have My Money*.

Of course, breast lovers the world over know the Barbadian singer for her admirable habit of hauling out the twins for hot selfies and raunchy music videos any time the mood takes her.

Which is pretty often.

And fans of the wacky 'baccy have long admired her desire to stick a big, fat one between her lips – erm, a JOINT, we mean – and sparking it up whenever she needs to mellow out, maaaaaan.

We especially loved it when she rolled one up on the bald head of her bodyguard while sitting on his shoulders at American pop music shindig Coachella in 2012.

Beer lovers have good reason to adopt the warbler as one of their own, too.

Over time she's become the lager-slurping, stubby-drainin', sexiest goddamn advert for the benefits of the amber fluid you could ask for.

None of that fancy champagne and cocktails for this gal – just give her a pilsener, a pale ale or a robust double-bock and she's happy as.

In recent years we've become used to the sight of the slinky superstar chugging pints out of big plastic cups in her courtside seat at the LA Lakers' home basketball games.

Maybe she can even beer-belch the pre-game national anthem. We dunno.

We've spotted her balancing a draughtie on a surfboard in Hawaii, hoping like hell she doesn't lose it when a big set rolls in.

And we watched her rockin' out – or, more precisely, rockin' out-of-it – at a Kings Of Leon concert a few years ago, Ri-Ri having supped a little too heartily at the tour sponsor's alcoholic product.

They practically had to carry her out of the arena. Thank you, Mr Heineken.

But her love of the lager was duly rewarded when American brewers Budweiser took her on board to advertise their product with her then-current single, *Right Now*.

We didn't hear what she got for that in dollar terms, but we're sure a few slabs of the product would've found their way into her beer fridge afterwards.

Because the nice thing about Ri-Ri is that she doesn't discriminate when it comes to beer brands.

Over the years we've seen her hoisting the Heinies, cracking the cold Coronas, wrestling down a few Red Stripes, belting back the Buds and Bud Lights...

Ri-Ri and Snoop Dogg enjoy a choof

> 'RI-RI ROLLED A DOOBIE ON THE BALD HEAD OF HER BODYGUARD'

In fact, she'll drink just about anything she can wrestle down her sexy throat.

Although she does seem to have a special place in her heart – and liver – for Banks, the local beer of Barbados.

Likewise, she doesn't care where she settles in for a sesh – poolside, courtside, at a rock concert, in the surf, on a boat, or just taking a leisurely stroll along a deserted beach dressed in a skimpy bikini with a sextet of ales dangling from a tattooed pinky.

So raise your glasses and throw one down for Rihanna.

She's probably doing the same right now.

Corny story

A WEARY traveller arrives at an outback hotel one day, keen for a hot meal.

"We've only got corned beef, mate," the publican informs him.

"That'll do," says the hungry traveller.

He takes a seat and when the meal arrives it consists of a slab of overcooked corned beef and nothing else on the plate.

"Um...could I have have some tomato sauce to put on it?" the traveller asks.

The publican sings out to the cook, "Hey, there's a snooty bastard here who thinks it's Christmas!"

Can't help themselves

A BIG cruise ship sinks in the middle of the ocean and the only survivors are Rob, Jim and a nun called Liz.

Luckily, the three eventually land on a small, deserted island and make a life there as best they can.

They eat fish from the ocean, grow vegies and, after several lonely months, succumb to their basest desires.

After about a year of rampant casual sex with Rob and Jim, Liz feels so disgusted with betraying her holy vows that she jumps off a cliff and dies.

Rob and Jim are terribly heartbroken, but manage to carry on. After a while, their natural urgings get the better of them again and the inevitable happens.

A few more years go by and the guys are so overcome with disgust about what they are doing that they finally bury Liz.

Lost and found

TWO golfers are approaching the first tee. Tiger goes into his golf bag to get a ball and says to Jack, "Hey, why don't you try this ball? You can't lose it!"

Jack replies, "What do you mean you can't lose it?"

"I'm serious, you can't lose it," laughs Tiger. "If you hit it into the woods, it makes a beeping sound. If you hit it into the water it produces bubbles, so you can spot its location. And if you hit it on the fairway, smoke rises in order for you to find it."

Jack doesn't believe him, but Tiger shows off the wonder ball's capabilities and his friend is convinced.

"Wow!" exclaims Jack. "That's incredible! Where did you get that ball?"

Tiger replies, "I found it."

Small talk

A LANKY woman meets a midget at a party. The midget is barely a metre tall, but they're quickly attracted to each other.

After a few drinks, they head back to the woman's apartment.

"I can't imagine what it will be like having sexual relations with a midget," she sighs while undressing, "especially with the size difference and all."

"Just take off your clothes, lie back on the bed, spread your legs and close your eyes," smiles the midget.

The woman does as she's told and soon she can feel the biggest thing she's ever experienced inside her. Within a few minutes the woman climaxes eight times.

"Ohhhhh, that feels amazing," she gasps after catching her breath.

"If you think that was good," the midget leers, "just wait till I get BOTH fucking legs in there."

A LAWYER dies and goes to heaven. When he arrives, he's faced by St Peter.

"There must be some awful mistake," the lawyer argues. "I'm too young to die. I'm only 55."

"55?" says Saint Peter, shaking his head. "No, buddy. According to our calculations, you're 82."

"How'd you reach that figure?" the lawyer asks.

St Peter replies, "Well, we added up your timesheets."

What a genius

PHYSICIST Stephen Hawking dies and goes to heaven. At the Pearly Gates, St Peter tells him, "You look like Stephen Hawking, but we've had a rash of people disguising themselves to get into Heaven. Can you prove who you really are?"

Hawking grabs a piece of paper and writes out a theory related to quantum physics.

"You really are Hawking!" Saint Peter says. "Welcome to Heaven!"

The next to arrive is noted musician Philip Glass. Once again, a suspicious St Peter asks for credentials.

Glass grabs a piece of paper and writes out a symphony.

"Come on in!" St Peter cries. He then sees George W. Bush wandering towards the gates.

He scratches his head and says, "Stephen Hawking and Philip Glass both managed to prove their identity, buddy. How can you prove yours?"

Dubya looks bewildered and says, "Who are Stephen Hawking and Philip Glass?"

St Peter sighs, "Come on in, George."

GOOD TIMES!

by The Monkees
Warner Music, out May 27,
RRP: $19.99

What's the guts? Here's some swingin' news, readers: The Monkees are releasing their first new album in two decades, *Good Times!*, which ties in with the legendary band's 50th anniversary. The three surviving band members (Micky Dolenz, Michael Nesmith and Peter Tork) sing and play on every song, some of which they wrote themselves. The late Davy Jones is represented by his vintage vocals being added to the track *Love To Love*, written by Neil Diamond. **Anything else?** Apart from Diamond, the cream of songwriting royalty have written songs for the album, including Rivers Cuomo of Weezer, Andy Partridge of XTC, Noel Gallagher and Paul Weller and more. There's also an amazing story with the title track, which was started in 1968 by the band with Harry Nilsson, but never completed till now. Long-time fans of The Monkees are gonna love this amazing album. **Final word:** Funky like a Monkee.

WIN! ALRIGHT! We have THREE CDs up for grabs, thanks to our friends at Warner Music Australia. To enter, **just tell us IN ONE SENTENCE your fave Monkees tune and why.** The three best answers will win a CD. Mark your entries "The Monkees comp".

Rise Of The Footsoldier Part II

Via Vision, rated MA, out now,
RRP: $29.95 (Blu-ray)

What's the guts? This gut-searing sequel is set two years on from the first film, which ended with a bloody massacre that saw thug Carlton Leach (Ricci Harnett) lose his best mates. By 1997, he's a drug'n'booze-addicted loser waiting for one of his enemies to finish him off. But somehow Carlton gets his shit together as he slowly progresses from brutal soccer hooligan to fully fledged gangster. Before too long, he and a new crew of hard men muscle in on the UK's blossoming cocaine industry. **Anything else?** A great ensemble cast bring to life this explosive, violent drama laced with plenty of black humour. Harnett, who reprises his role as Carlton, also wrote and directed the flick. Good work, my son. **Final word:** Put your best foot forward...and don't get killed.

YOU could guess Tanita's interests just by looking at her: "I'm the outdoors type and love doing things like surfing and being at the beach." Hitting the beach is a good way to clear a hangover, too, which we reckon she's had a few of: "I work at a bar, so it's very common that we party after our shifts."

MELIKA

September 16, 2013

WHO loves backdoor banging? Melika does! "I quite like anal 'cos it's different and can be a bit rough." Don't rush to root her in the behind, but. Take your time and do something romantic first, such as watching a film together: "I'm into scary movies, so we can get close and cuddle."

TAMARA

WE WANNA visit France, but if their big-titted beauties like Tam come here instead, it'd save us a ton of travel coin. She's a fan of Oz men: "Who can resist a cute guy with blonde hair, blue eyes and a tan? And the accent's sexy as well!"

INDIGO

May 3, 2010

THIS gal loves a shag! "Three times a day would be great," she said. "The first fuck would include a guaranteed orgasm for me." And when she's not having sex Indigo's happy to watch it! "Gang-bang porn is my fave. Watching seven guys fuck one girl is hot – especially when they cum on her face."

AIMEE

Perth, WA

December 21, 2009

IT'S best keeping an open mind when going out for a drink. You never know where the evening might take you! "I was picked up at a bar and found myself in a 69 position later that night," Aimee told us. "I like drunk sex 'cos it's wilder and I don't care what happens."

EMMA | 26

Robina | QLD

Your shoot looks very summery, Emma! Where did youse do it?
"At my mother's house! She's open-minded and would never let a thing like nudity get in the way of earning a few bucks."
Maybe she was speaking from experience!
"She DID say she had done a bit of naughty modelling in the past but I've never pressed her on it. Not sure I want to see Mum's pink bits."
Family aside, where do you like going out on the Gold Coast, mate?
"There are a couple of bars I go to now and then, but I love Jupiters Casino in Broadie."
Are you a bit of a gambler?
"Not really - I just like dressing up with my girls and getting drunk while people-watching. I can't gamble for shit."
You only need to push a button.
"A guy once picked me up while I was playing the pokies there. We went back to his room and he fucked me senseless. It was the first time a guy licked my arsehole, too. That was a different experience."

There are no shades of grey in Alice's sex-life

PHOTOS BY DIGITAL PLAYGROUND

FEMME FACTS

ALICE is your typical fun-loving 20-year-old. She enjoys scuba diving, snowboarding, archery, playing with her dogs, skydiving, hiking, banging out a tune on the piano …and getting whipped and tied up by folk into S&M. Perfectly normal stuff…

WE'RE a little bit scared of **Alice Lighthouse**…bu in a good way. This porn newcomer is a SEXUAL FREAK. Whatever your kink, there's a good chance the Seppo siren has done it, which explains why she makes some pretty fucked-up flicks, like *Amish Girls, Cockslapped* and *Creepy Landlord*.

WE HAVE to ask, how'd you come up with a stage name like Alice Lighthouse? Were you born in one?
"No. I was in a BDSM master/slave relationship…my master said to pick a first name, so I picked 'Alice'. And he painted me this giant picture of a lighthouse and said that would be my surname." ▸

THE HAREM

ALICE LIGHTHOUSE | 20 | MIAMI, FLORIDA

That's different! You were into the BDSM scene hardcore, huh?

"I was in a master/slave relationship for two years and I actually have a slave tattoo. My main fetishes are exhibitionism, bondage, suspension and electric play."

Did you watch pornos before getting into the biz?

"I wasn't really a fan and I still don't know the names of many gals or guys in the industry. But if I did watch porn it was things like gang bangs or dominant/submissive stuff."

Got a fave possie, mate?

"It changes depending on the guy's dick. If it's very big, then doggy style can hurt because it goes too deep. I like spoon and missionary a lot more lately than I ever have before. Spoon seems to hit me in just the right spot."

You recently rode one of them fucking machines in *Bonnie Rotten's Sybian Showdown*. Intense?

"It was the first time I ever got to try out a Sybian, which I'd wanted to for years and years. It was even more incredible than it looked. It's amazing when it spins in you with the vibrations!"

If you could fuck any celeb, who would you go for?

"Well, my female choice would be Jennifer Aniston and my male choice would be Channing Tatum."

‘NORMAL SEX CAN GET BORING’

I MOVED to Brisbane at the end of the year to experience something a little bigger than my hometown Toowoomba.

About a month in I met my neighbour Jen who's in her early 20s.

She also lived alone and we got to know each other slowly when we kept popping round to each other's places to beg for cups of sugar, glasses of milk or dunny paper.

I got a knock on the door one night and opened up to find Jen crying her eyes out.

She'd been on a date with a real loser and confessed she'd never find "the one".

I invited her in and within minutes we were naked in my bedroom.

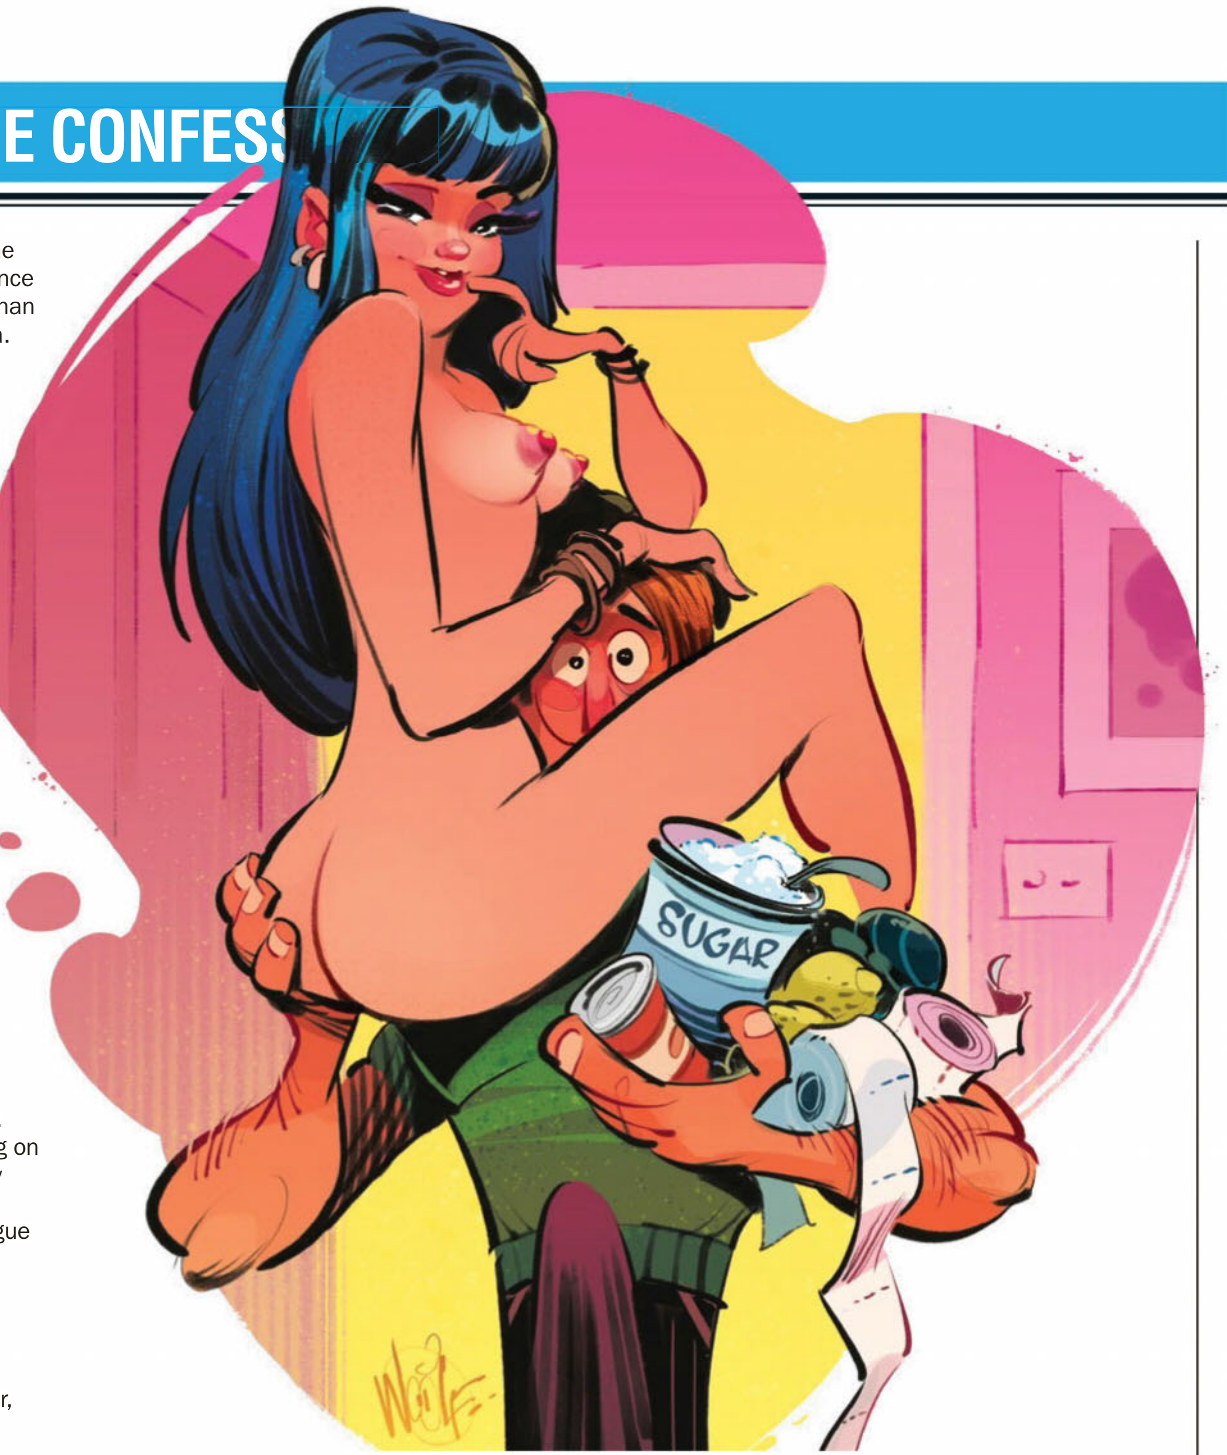
Jen had a speccy body, especially her tiny-but-perfect tits.

As I sucked on her sensitive nipples I used a free hand to rub her clit.

She reached down to tug on my cock, which was rapidly growing in size and girth.

"I need to feel your tongue on my pussy," she blurted out. She'd been drinking so I laughed, but did as she asked.

I slipped between Jen's legs and began tasting her, gently running my tongue along her slit and lightly breathing on her clit as her moans got louder and louder.



THE FRIG SMOKE

It didn't take her long to cum, helped by two of my digits finger-banging her gash while I ate her out. And then it was my turn.

"Get on your hands and knees," I told her, slapping her butt.

> 'I ENJOYED THE VIEW OF HER INVITING BACKDOOR'

Jen eagerly did as she was ordered while I got behind her with the hardest erection of my LIFE! I enjoyed the view of her inviting backdoor, glistening with cunt juice.

"What are you waiting for… ahhh MMMMM!" was the last thing Jen said before I plunged my gut-buster deep inside her Cadbury canal.

Ten glorious minutes later I pulled out and splattered my chunky custard all over her arse cheeks. We cleaned up, then Jen went back to her flat, 'cos she didn't want to make things "weird between us".

However, she was back a few hours later, horny and hungry for more of my gonad goodness!

HOT WATER

I SCORED a free Airlie Beach holiday where I got pissed and sunburnt daily.

As a bonus, on day one I also hooked up with a backpacker. Amy was from Wales and sported the hairiest vadge I'd ever seen.

One arvo, after drinking and sunbaking by the hotel swimming pool, we sneakily slipped into the water and started fondling each other.

I rubbed Amy's cunt lips and wound her long pubes round my fingers, tugging on them while she groaned in my ear.

Amy took a deep breath, then dived UNDER the water and tried to give me head, although it didn't last long before she came up for air.

With no-one else really around, I parted Amy's legs and entered her with ease.

'SHE DIVED UNDERWATER TO BLOW ME'

We tonked slowly for a few minutes in the water, but it was difficult to stay balanced.

I double-checked we were alone before we swam to the edge of the pool. With her elbows resting poolside, I rooted her from behind some more before she gobbed me to a climax, licking me clean to prevent any of my taddies contaminating the pool.

Just as we were finishing our business, a lifeguard turned up and spotted our shenanigans and the day ended with us getting a stern talking to from the coppers!

ON THE SLY

I FUCKED my fuck-buddy's buddy while he was picking up our dinner. We'd been drinking at my place when my original bedroom pal Eric got a hankering for Thai food.

"They don't deliver so tell me what youse want and I'll go get it." he said. "It's on me."

He left Greg and me in the kitchen to amuse ourselves. Maybe it was the booze talking but he grinned, "We could fuck now and Eric would never know."

I felt a rush of excitement through my body and moved closer to Greg.

From all reports he'd shagged his fair share of women and clearly he was experienced as he took immediate control of the situation.

He bent me over the kitchen bench, eased down my trackies and shoved his mouth-slug deep in my hairy snatch. He munched on muff like it was the world's tastiest Tim-Tam.

'HE MUNCHED ON MY MUFF LIKE IT WAS A TIM-TAM'

But I knew we didn't have a lot of time to muck about.

I reached around for his dick, which was stiff as a post.

I gobbed it for a while before propping myself on the bench. With a hop and a skip Greg was inside me, balls to the wall.

We wasted no time and banged hard and fast, knowing Eric could walk through the door at any moment.

Suddenly, I sensed Greg was about to blow, so I told him to pull out, then I dropped to my knees to swallow his hot porridge down my throat.

After that, I sucked the head of his prick till I'd licked off every last drop.

We fell away from each other, got our clothes back on and returned to our seats just as Eric walked in the door, none the wiser.

I now have two fuck-buddies and, if I play my cards right, I'm hoping for a threesome! Who says this gal can't have it all?

BACK IN THE SADDLE

I'VE always wanted to shag a mature lady, so I walked into my local RSL for the first time after getting dumped to see what was on offer.

Thursday's "buy one meal, get the second for $7" deal sees punters flying through the door and this night was no exception.

I got chatting with a skinny 50-something broad named Sally who was more than happy to drink, talk footy and let off steam about her boring desk job.

"Are you hungry, mate?" I eventually asked. "They've got that deal on tonight."

Having knocked back several chardonnays, Sal had a buzz on by this stage.

She smiled seductively and said she'd already scored the best deal of the night in me and suggested we skip dinner and go to her house instead.

Once there, I was expecting Sal to be an experienced root and give me the orgasm of my life. But when she nervously went out onto the patio to smoke I knew something was up.

She finished her ciggie and admitted she hadn't had sex in 10 years.

I patted her arm and said that we'd take it slow and I'd put her at ease. She smiled and practically dragged me into her bedroom. To be fair, Sal was a dirty bird once we got going, and while she wasn't the most graceful of screws, she went hard and even let me cum on her boobs.

'SALLY WASN'T GRACEFUL BUT SHE WENT HARD'

Sally and I now see each other fairly often and the sex keeps getting better and better, as she becomes more comfortable with me.

I even got to fuck her up the bum the other night. My ex never let me do that!

DAIRY GOOD

SO YOU eat what you like, eh Audrey?
“They say girls need to watch the amount of cheese they consume if they want to keep a cute arse, but I eat EVERYTHING.”
We bloody love cheese.
“Cottage cheese, brie...I even love those tasty Babybel treats. Bring it on. Really, though, I was blessed with a nice, natural bum. Thanks, Mum!”
Yeah, she’s the best!
